

COMMUNITY CALENDAR 2021

Our Ritzville community always does an excellent job on hosting events and activities for our residents and travelers alike. This list is likely to change or adjust throughout the year, but shows activities hosted by local organizations and businesses, including the Ritzville Chamber. We will post and continually update this calendar on our website, www.ritzvillechamber.com, as information is provided.

We have listed our monthly meeting dates as well, and these meetings are open to the public and we encourage our members to attend. Our meetings are held at 6 p.m., and currently held at Uniquely Washington. Any changes to our meeting dates or times will be posted on social media, and our website.

These events and activities are made possible by countless volunteers in our community. If you are interested in volunteering, please contact us at ritzchamber@gmail.com and we will put you in contact with the appropriate coordinator.
